

Merry Christmas Baby!!!

Hey baby! Merry Christmas!!! I've wanted to say that to you for ages and I just wish I could actually say it to you in person on Christmas day. If you haven't already you can tuck into the stocking, I hope that you like all of the presents that are in there. I wanted to spoil you this Christmas and make sure that you enjoy Christmas this year. I wish I could have spent Christmas with you this year but if you really wanted to we can spend Christmas together next year and open each other's presents in person! I just want you to remember that I love you a shit ton and can't wait for the day we live together! I've literally never loved anyone like I love you and I just want to be with you forever!

I can't wait to see the new year in with you baby. It's going to be amazing! I want to kiss you at midnight, I've always wanted to kiss someone at midnight and I want it to be you. I want to kiss you to see the new year in. It's going to be really fun seeing you on new years. I just can't wait to see you baby. You make me really really happy and I want to be with you forever. I just want to make sure that you're happy and relaxed. You're so amazing and perfect! Can we get your ring size soon so that I can get you an engagement ring and pop the question at some point? I really want to marry you baby and I can't wait for the day we can call each other husband or fiancé! I really can't wait for the day that we live together. I really want to wake up next to you and give you a morning kiss and say morning to you every morning. I really want to make you breakfast in bed and on days that you're working I want to make sure that you're ok before you head off to work. Can you imagine us spending Christmas together at our own place, it'll be the best thing in the world baby!

I'm extra excited this Christmas as I have the world's most amazing man ever as my boyfriend and I just want to hold on to you and never ever let go! You're so perfect baby, I'm really really lucky to have you as my boyfriend and I just want to have you all to myself forever and ever! I've never met such an amazing, kind, caring, sexy, beautiful, perfect man in my entire life and I just want to walk next to you for the rest of my life making sure that you're happy and relaxed and that you get everything that you want. I want to make sure that you get to do the things that you want to do. I want to protect you from all of the dangers in the world, I want you to be safe! I just want you to! I want you for the rest of my life!

I hope that you really enjoy Christmas baby, I hope that you liked the presents that I got you as well :) I want every Christmas to be special for you and that you always have loads of presents to open and some nice little surprises as well! I want you to wake up on Christmas morning with a stocking by your bed so that you've got presents to open as soon as you wake up. I want you to have the biggest smile on your face every Christmas. I want you to be extremely excited for Christmas day so that it's the only thing you can think about for the entire month. I really really love you baby and I just want you to have the most happy, safe and relaxing life that I can give you.

You're so so special to me and I love you so much that words literally can't describe it! I love doing everything with you, literally everything! I love having banter with you. I love getting excited over things with you. I love watching you get excited too! I love going to concerts with you! I love holding your hand! I want to walk through life holding your hand baby! Alex, can I just say something that's very important to me. I LOVE YOU!!! I love you to bits and nothing will ever change that. I've really fallen for

Merry Christmas Baby!!!

you and I just want to keep falling for you as I love the feeling and I don't want it to ever stop! Merry Christmas to my favourite man! I love you, always!!!
